

WE WILL WIN PEOPLE'S SOLUTIONS

A look at what is happening at a national level with It Takes Roots in the first 100 days of the new administration

1 Housing is the Cure

We call upon the Biden administration to take immediate action to end evictions and stop utility shut offs, and cancel rent, mortgages & all housing debt for the duration of the pandemic.

2

2 Build Back Fossil Free

We are organizing to make sure Biden follows through in rejecting all new fossil project approvals (including Line 3 and the Dakota Access Pipeline), and instead invests in Black, Indigenous, and People of Color communities and a regenerative economy that works for all.

3 A Feminist Economy

We need a feminist economy that recognizes, values, and centers reproductive labor as low carbon, community generating, life affirming, and skilled work. We are currently moving this through the Green New Deal and Feminist Foreign Policy.

4 Green New Deal

We are working toward a just Green New Deal to revive our economy while addressing the crises of climate change, racial injustice, public health, and economic inequity with a plan to create dignified jobs for millions of unemployed workers.

5 People's Bailout

We're demanding an inclusive national program of immediate relief that plants the seeds for long-term recovery from the effects of the COVID-19 pandemic.

6 The Frontline

Our sister alliances have joined a new, powerful formation led by the Movement for Black Lives, United We Dream and the Working Families Party. On the Frontline is engaging thousand of organizers around the country.
www.thefrontline.org

It Takes Roots is a multiracial, multicultural, multigenerational alliance of alliances representing over 200 organizations and affiliates in over 50 states, provinces, territories and Native lands on Turtle Island (U.S. and Canada); and is led by women, gender non-conforming people, people of color, Black and Indigenous Peoples. It is made up of Climate Justice Alliance (CJA), Grassroots Global Justice Alliance (GGJ), Indigenous Environmental Network (IEN) and Right to the City Alliance (RTTC).
